“ I would like to send my condolences to you all in your recent circle of life being broken after 71 years. Living past 70 years or more is wonderful as the bible say at Ps.90:10.Our creator original purpose for humankind did not inclue sickness and death.We can look forward to better times in the near future as the bible say no one will ever die again, gone will be death to make us sad, Isa.25:8. I am looking forward to that happening and I know you all are too. May all the many accomplishments of Mr. Stanley and cherished memories help to support your all in life journey ahead.##imported-begin##lillian crosby##imported-end##
