“ To the family and friends, I offer my condolences. It truly is unfortunate that we must experience the sorrow associated with the loss of one we love. May you find comfort and strength from the "God of all comfort" (2 Corinthians 1:3,4) who promises at Isaiah 66:13, "Like a man whom his own mother keeps comforting, so I myself shall keep comforting you people."###imported-begin##Gwen Winston###imported-end##

“ I would like to take this opportunity to say how much Dr. Fowler meant to me. I've known him for many, many years we actually grew up together in South Carolina. He was always very motivational and encouraging. Most importantly he was a very caring person to me and my family. He will greatly be missed by all who knew and loved him. God bless the family.###imported-begin##Madda(lina) Thurmond-Peebles###imported-end##
