“ *Steve Trueheart and I worked for the same company at IWIF formerly The State Accident Fund , he was one of the nicest guys that I have ever worked with. I remember a party he had, an invited some of his co-workers and yes, his guitar was the highlight of the party and him singing too. I can speak for myself and others Steve will be missed by all. What makes it comforting to all of us in Christ, is that he is with the Father in Heaven, singing praises unto him seeing the streets of gold. As stated in the book of Psalm 23:6 and Steve will dwell in the house of the Lord Forever.*
