“ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##

“ To the family I offer my most heartfelt condolences for your loss. Death is a very painful thing that we should never have to experience. It's just not right, and was never God's original purpose for mankind. When he created Adam and Eve they were created perfect with the prospect of living forever in a paradise earth. Although they lost out, Jehovah's purposes never fail. Isaiah 55:11 lets us know that his word will not return to him without results. So one day he promises to bring an end to this enemy death according to 1st Cor. 15:26, and raise back to life all those who have died in the memorial tombs. John 5:28,29. Please believe and trust in Jehovah's promises, because they will without fail come true. Believe that you will see your loved one again. We all will, if we are faithful and obedient to his word. May you be comforted.##imported-begin##R Johnson##imported-end##
