“ My dear sister will forever be remembered as a sweet, kind and generous soul. I remember the annual Christmas breakfast that she and Joe hosted for friends and family. I still cherish the prayer book she gifted me one year.

“ *Don't be too sad, cause God has her in his wings. She's with her parents and few friends that has gone on before her. She's in a Happy Place. When you set your table at , Xmas set a place for her, cause when you look around she'll be there, watching over you and talk to her still cause , she's there listening to,you. Suletta will alway's be with you.@ Wanda McCutchen*

“ I made it home, I just wanted to let you know that I made it home. The journey wasn't an easy one, but it didn't take too long. Everything is pretty here, so white, so fresh and new. I wish that you could close your eyes so that you so that you could see it too. Please try not to be sad for me. Try to understand God is taking care of me Here there's no sadness, no sorrow and no pain. There no crying and I'll never hurt again. It is so peaceful when all the angel sing. I have to go now . I 've just got to go for now....Just got to try my wings. @Wanda McCutchen

Sending prayers to the Makaskills and Butlers on this very hurtful loss. Bunch was the most fun and loving cousin. And when she prayed, it brought so much power and comfort. Her anointing was sooooo strong. Glad that we went to HS together, and that I got to stay with you some weekends at VUU dorm, and that when I graduated from college, we got to go to some fun spots in 804. Also grateful to see you during past 2 years. Your cousin Terry
