“ *My sincere condolences to your family. Death of a loved one is never easy to deal with and our heavenly Father knows this very well. That is why he made this promise in his word the Holy Bible that very soon death will be swallowed up so that we will not experience that pain anymore. This is found your in Bible at Isaiah 25:8. His wonderful son, Jesus Christ not only promised that there will be a resurrection of those that died; (John 5:28, 29) but he also demonstrated it when he resurrected his dear friend Lazarus from death; (John Chapter 11).*

I hope that during this difficult time these and other delightful promises from our heavenly Father bring some comfort to your family.

“ First and foremost I am truly sorry for such a major loss, to all Family and friends... So many positive things to say about Summer I can honestly go on for days. I understand it won't ever be a word uttered to make this loss pain eased. But I know for certain that Summer and Skye are in a better place and will always have each other while looking over tjeir loved ones... during the passing of both my mother and grandmother, Summer always had kind words to say and offered thousands of prayers and I'll return those prayers each and everyday with Summer and Skye in my heart, I thank god for allowing me to know such an amazing person who whole heartly cared of everyone, I also thank Summer for being such an amazing outspoken, God fearing loyal friend who would done anything she could if not more to help tje next. Rest on with our heavenly father and raise your baby in heaven with all the love you had here on earth...
