“ We are deeply saddened to hear of Sunee's passing. It seems like yesterday that we were in high school together hanging out and having fun. I will cherish the memories of the times we spent together. My condolences to the family during this difficult time. Although it's difficult today to see beyond the sorrow, May looking back in memory help comfort you tomorrow. God Bless!

“ Sunee, we just saw each other again after 25 years; and it felt like it had been on 25 mins. You, Courtney, and I got in all the foolishness high school girls could think up; and remained ladies all the while! Your smile could light up ANY room! And it did. Although the time was much too short, the world is better just because you were here! I won't say goodbye; I simply say, "See ya when I get there! Save me a seat at the lunch table!" I love you! “ You don't know me but as one of Jehovah's Witnesses I would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 2yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”—ACTS 24:15. I'm sure you would love to see your dead loved one again! Any Jehovah's Witnesses that you meet would love to show you in the Bible the truth about death! Again so sorry for your loss!!
