“ I send my deep condolences to the family of Susie at this most difficult time. One day sickness, violence, and death will be a thing of the past. God is going to create something wonderful, phenomenal, for those who love him. He promises a peaceful world; a world without crime, a world without people living on the streets, a world without terrorism, a world without babies dying as soon as they are born, and a world with no more hungry people. 2nd Peter 3:13 says, "but there are new heavens and a new earth in which we are awaiting, and in these righteousness is to dwell. Even the memory of this sad world will be forgotten, because Isaiah 65:17 promises: "For here I am creating new heavens and a new earth; and the former things will not be called to mind, neither will they come up into the heart." No more pain, no more sorrow, no more crying, and no more dying. Rev 21:3-5. Our dead ones will come back to life. John 5:28,29 May you find much comfort and strength in the words of our loving heavenly father.##imported-begin##R
