

## Susie Estell Farmer

May 7, 1920 - April 13, 2009

Susie Estell Farmer was born May 5, 1920 to Wade and Mary Givens of Jarratt, Virginia. She was one of nine children, all of whom preceded her in death. She was educated in the Greensville County Public School System, where she graduated in 1938. Her family moved to Richmond, Virginia in the late 1930's where she met and married James Farmer, her late husband. Out of that union, one child, Carolyn Estell Farmer (Webster) was born. Susie (affectionately called Great, since the birth of her great-granddaughter, Ahlexi) was a kind, loving and considerate person who always put family in the highest regard. We love her and will miss her and we are confident that she now lives in the presence of the Lord.

“ There are no words of sympathy that will erase your pain, but may it comfort you to know that others care, may it comfort you to know that the God of tender mercy and comfort will always be here to listen to you, call on him and tell him your every care(2Corinthians 1:3-4), may the memories of miss Farmer help you to heal, in time the memories will come with out the pain and you will be able to focus not on your loss, but on all the joys and blessings you shared by having her in your lives, deepest sympathy is extended to all of you.##imported-begin##Josephine##imported-end##

“ Hello ! Farmer's May my words of comfort be uplifting to read. We all have lost a dear love one before and know the pain and saddness and tears that come however each case is speical for all. It helps so much when others touch the heart with words of comfort. Living for 89 years is wonderful in these last days, the bible say at Ps. 90:10, " Some persome will live to be 70 years and others 80 years because of speical mightiness". It will be Grand when dying is no more, Gone. Isa.25:8. I am so looking forward to that in the future and I know you all are too. May all the many cherish times shared with Ms. Susie help to sustain and support your all on the journey of life ahead.##imported-begin##lillian Crosby##imported-end##
