

Sylvester Kearney

July 5, 1928 - May 2, 2003

Sylvester Kearney Sr., son of the late Walter H. Kearney, and Annie Southerland Kearney, was born on July 5, 1928 in Henderson, N.C. He was baptized at the age of twelve, and joined Mt. Olive Baptist Church in Henderson, N.C. He departed this life on May 2, 2003 after a lengthy illness. He was united in Holy Matrimony to the late Mamie C. Manson in 1947. He received his education in Vance County in Henderson, N.C. At a young age he became employed by H.S.C. Management Corporation and retired from the position of Superintendent in the mid-eighties. He relocated to Baltimore, Maryland where he was employed by and later retired from the Jewish Community Center in Baltimore, Maryland. Sylvester was a quiet, gentle, hard working man who loved helping others. He had a special way of making people laugh, in a fun-loving way. Sylvester will be greatly missed by those who knew and loved him. He leaves to cherish his memory: four sons; Sylvester, Jr., Curtis, Ronald, and Tyrone; four daughters, Ann, Rose, Denise, and Loretta; three sisters, Helen, Novella, and Mollie—all of New York City; two daughters-in-law, two sons-in-law, ten grandchildren, three great-grandchildren, nieces, nephews, and a host of other relatives and friends.

2 Timothy 4:7-8 (NKJ) I have fought the good fight, I have finished the race, I have kept the faith; Finally there is laid up for me a crown of righteousness, which the Lord, the righteous Judge, shall give me on that day; and not to me only, but to all who have loved His appearing.

“ My condolences to the family. I want to share two promises from the Holy Bible that I have found to be very comforting. John 5:28,29 says: "The hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life." and 1Corinthians 15:26 declares: "As the last enemy, death is to be brought to nothing." It is my hope that these promises bring you much solace also.##imported-begin##Sharon Hill##imported-end##
