

## Sylvia Elizabeth Parker

August 14, 1936 - October 14, 2004

Heavenly Father, we offer up to You the soul of your child Sylvia E. Parker, born September 14, 1936 in Baltimore Maryland, to the late Joseph and Alease Makell. God called her home on October 14, 2004 after a short term illness. She was preceded in death by her daughter Alease Shaw. Sylvia received her education at St. Francis Parochial School in Baltimore. In her young adult years she worked at the House of Pine Nursing Home. After the birth of her last child she became a stay at home mom and a strong force in her children's and grandchildren's lives. Always encouraging self growth and education as a must. She attended the St. Francis Xavier Church for many years. "Baby Sis" or "Momma Sylvia" as she was known, has always been a strong hold for so many of her family members and friends. A listening ear, some sound advice, or a heart-felt piece of herself (smile). In a union of marriage with Mr. Gary Parker, they parted and remained friends in their life. Sylvia was loved by many people, and music and dancing was her joy, all kinds. She enjoyed seeing and being around lots of family and friends. Sat on her steps and watched many children in the neighborhood grow, all to come back now and again to visit and "remember when". She will be missed in many ways and we hold her dear in our hearts in many special ways. During her life she loved in union a gentleman and friend for life, Mr. Moses Buchanan, until God called her home. She leaves to mourn: her son, William; her daughters, Ester, Angela, Veronica, Carol and Pamela; six stepkids; two aunts, Gertrude Taylor of Baltimore and Cecila Malone of Tulsa, Oklahoma;

one brother, Romus Makell; two sisters, Paulette Jennings and Margaret Makell; sixteen grandchildren, eight great-grands, three sons-in-law, and a host of nieces, nephews, cousins and friends. Friends for life, Ms. Shirley, Ms. Luvenia and Ms. Ethel.

“ *hey ma, I wish you were here now. So many problems and it seems as though you was the only one that can fix them. Miss you soooo much. I know that you watching over your family, but I really wish you can come and get us right. We have not been the same without you. Kids are grown now and I have grand kids. Who wouldve imagine that. I feel your presence with me everyday, that is how i'm able to go on. God blessed me with your presence in my life for 36 years and i never felt so proud about anything but acknowledging that i'm your daughter. LOVE YOU ALWAYS AND TILL I SEE YOU AGAIN!!!!*

“ Hey lady there is not a time that your not with me. Each and every day i think of something you might have said or done. You would be so proud of your family as we have evolved into people you would be proud of. You have new little ones that has come along and never will you not be spoken of, for you are still our rock of strength. Continue to rest in peace and know that you are always in my heart. HAPPY BIRTHDAY (IN MY STEVIE WONDER VOICE)

“ *Mama there has been some times without being able to talk to you that were just hard on my heart. Life without you has been just what you always said it would be. But know you have left strength in your children to carry on. I hope in your life here with me I showed to you what you deserved as a mother. God knows I hang on your every word and share them with who ever will listen. I am famous for saying "my mother used to say". this feels good to be able to share with you in this manner and I only hope that you are at peace with yourself and resting listening to your gospel and oldies that you like so much. So long for now , I'll be back soon. Love you*###imported-begin###Carol###imported-end###

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ Hello Family & Friends, I am so sorry to hear of your loss and I am offering my condolences. The scriptures can be of great comfort to us all. I am reminded of the scripture at John 11:25,26 where Jesus says "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life; and everyone that is living and exercises faith in me will never die at all." May you be comforted by this scripture.##imported-begin##Sophia Briscoe##imported-end##

“ Dear Family: Please accept my sincere condolences. It seems so unfair that death should have the power to take away someone we love. However, the bible assures us at John 5:28,29 "The hour is coming in which all those in their memorial tombs will hear his voice and come out, those who did good things to a resurrection of life". May you find comfort from the holy scriptures, family, and friends.##imported-begin##Vanessa Adams##imported-end##
