“ There is a tender touch of the Lord for each of you in this time of your loss. It’s a touch that gently wipes away our tears and brings comfort in sorrow.

Please know that you all are near in heart and that your family are being remembered in prayer.

They’re so many memories, traveling to so many different states. Beating every team we played making a name for ourselves . Every where we went they wanted to know who’s team is that? They’re jersey’s is fly !

In addition to looking good we played like we looked . Yea, baby those were the days.

Remember we got kicked out of a game? Well maybe a few games . Lol How about in Florida when the entire team got eliminated cause we BET everyone. (They were hating on us) Made it to the championship game and they pulled Sylvia talking about one of her players were either to old or young and disqualified the entire team.. since we got jerked ..we still won . Tennessee, where Lomax sat on the stoop and the water sprinklers came on. I’m wet now. He said , and sat there under the sprinklers for hours. Lol .. we won there too. How about Las Vegas playing in the hot heat no air conditioner 9 days felt like 9 years . Haven’t be back to Vegas since.. lol What did we do ? We won !!

What about Rick, He had the starting five in the van going to the wrong gym. Franklin (crazy coach) started with four players . Even with a man down we were winning and what did we do ? We won !!

So much fun we had with our children who are now all grown, Remember this as you continue your journey through life. Sylvia was a hard worker. Did a lot for the East End ., Even with all the detours Sylvia faced she continued to fight. Sylvia fought for her children, your children, and the community. She was a winner and what do winners do ? they win.. Consider this as a detour but keep playing the game. You can’t stop. Why ? Because sing

Everywhere we go.....

Everywhere we go ...

People wanna know ...people wanna know

Who we are..... Who we are

*And where we come from .. and where we come from ..
so we tell them .. so we tell them*

*We're the mighty mighty TIMBER-WOLF S
We are the mighty mighty TIMBER-WOLFS
DON'T start no stuff ., it won't be no stuff..
Diamond, Ty, and the sons . Whatever you do
DON'T DROP THAT TORCH !!!*

Respectfully,

*Edward , Terri #33 Kyra Timberwolf Coleman
Via New York City . Much Love ❤️🙏*

“ *Sylvia and I have known and loved each other over 45+ years; attending elementary, middle and high school years. Our children did the same. If we didn't see each other for five years, we picked up where we left off. To the Family, you lost your wife, mother, grandmother, daughter and friend so dear...I lost my SisterFriend4Life! Sylvia you'll be missed by so many. May you rest in Heavenly Peace. Prayers of peace and comfort for the family. With Love from Octavia Gaston and Family and HSHS Class of 1984.*
