“ Hey mommy 💕 I just wanna say HAPPY BIRTHDAY 🎈🎉👑🎂🎊 QUEEN 🙋 I love and miss you dearly 💔 It hurts me everyday that you aren't here with us 😞😭 & too watch me accomplish my goals 📖 But I know that your always watching over me 🙏 & guiding me through these hard times... You cross my mind all the time and I breaks my heart 💔 Knowing that I'm at my senior year in high school and my mother isn't here to share that special "ONCE IN A LIFETIME " moment with me 😞😭 & that you won't get to send me off to prom or even be in the stands cheering me on at my graduation 🎓🎉🎈 But I do know that you love ❤️ us with all your heart and that you watching over us 😊... by all means necessary mommy I going to make something out of myself 👠👜🎓 & I PROMISE YOU THAT ! Again happy birthday baby 💋💕🙏🙏 ... p.s you not old yet you still young 😂 Sincerely Diamond 💎💕😭

“ *Please accept my condolences for the loss of your dear loved one. 1 Corinthians 15:26 lovingly reveals that our "enemy death will be destroyed". There is much hope for many of our dead loved ones to return to life. Acts 24:15 declares "there is going to be a resurrection". May you receive much comfort and strength from these promises that will take place in God's new world.##imported-begin##Sharon Hill##imported-end##*

“ Hello! Kirkland's ! I would like to express fellow felling to you all. We are never perpare to loss a dear love one. One thing is for sure our heavenly father knows and cares, 1 Peter 5:7, for you all and is there with all the comfort needed to keep on the journey of life. May the resurrection hope for the dead help to ease the pain, John 5:28. I hope these few thoughts will be uplifting.##imported-begin##lillian Crosby##imported-end##

“ by LifesALovePoem Tears flow, but they make no sense. It's hard to believe that you're gone, vanishing completely from my sight. It's the small memories that make it worth remembering. I'll never forget your singing at Christmas; slightly off pitch, singing off my bright voice. I'll never let go, keeping all the good times. I didn't realize how much I cared until you're gone. The tears splash down upon my paper, blotting up the ink telling about your life. Time goes by slowly with nobody to talk to, and I finally realize how much you meant to me.##imported-begin##PRECIOUS##imported-end##
