“ *Sylvia was a beautiful person inside and out. I remember riding the bus to and from work with her and Joanne and having pleasant conversations and light-hearted jokes. She had such a pleasant personality and a joy to be with. Sometimes she would give us a hearty laugh about the silliest things. We would laugh and share stories about our children and situations that may be happening in our lives at the time. When I got a car, we often carpoled and had hilarious times together on the way home from work. She had the prettiest smile and cute dimples. I am glad I had the opportunity to know her and be in her presence. She was a shining and bright light. My deepest condolences to her children, family and friends.*

Please accept my deepest sympathy in the loss of your mother, grandmother, aunt, My Friend.

There are no words that I can say that will soften this loss from our lives.

“ On March 25, 2023, this world became a little dimmer. A light a beautiful light went out forever. You were and will always be a shining star for all who loved you.

Maria I send my deepest condolences to you and Family from me and my Family.

Sylvia was the glue who kept her Posse together; she loved each of us as we loved her in return. Always the quint-essential Hostess who would do anything for anyone especially those she loved. She was a beautiful person inside and out, always offering an uplifting word, a hug, a helping hand or just with her awesome smile that would brighten anyone's day.

We shared so many memories from our very long friendship and I am profoundly saddened to learn of her passing.

There is no more pain, no more suffering, no more sorrow.

2nd Timothy:7-8

"I have fought a good fight, I have finished my course, I have KEPT the faith: Henceforth there is laid up for me a CROWN of righteousness, which the Lord, the righteous judge, shall give me on that day"...

Sylvia is sorely missed by all who loved her.

You have earned your rest. May the Angels who are in Heaven escort you into Paradise.

I will always love you
