“ Oh Sylvia you're gone and I never had the chance to see you one more time. You will forever be in my heart and each time I hear your laughter, I'll smile and be so thankful I got to meet you and spend 5 wonderful (sometimes contentious) year's. I'll see you over that Rainbow Bridge some time soon and we can play Bid Whisk forever and always. Love you girl! Love you!

“ I will always remember Mrs. Sylvia's smile and personality. She always appeared happy when I saw her at work. Even when she came to work sick she never complained but instead kept moving on with her day. We laughed so much about so many things like all of the rounding around we had to do for the families we served. Mrs. Sylvia's sweet spirit and warm personality will never be forgotten. I will miss you greatly Mrs. Sylvia. Rest well until we meet again. Sending my sincerest condolences to the family, friend's co-workers and all that knew her. I was truly blessed to have known her.

“ *Sending my sincerest condolences to all of the family during this time. I truly appreciate knowing such a phenomenal woman. Her presence will be greatly missed.*

"A grief blessing may the sun bring you new energy every day, bringing light into the darkness of your soul may the moon softly restore you by night bathing you in the glow of restful sleep and peaceful dreams may the rain wash away your worries and cleanse the hurt that sits in your heart may the breeze blow new strength into your being, and may you believe in the courage of yourself may you walk gently through the world, keeping your loved one with you always knowing that you are never parted in the beating of your heart."

May Allah bless you all,

Melissa
