“ *Condolences to the family. Dr. Synethia Green was one of the kindest people at Coppin State University that I knew. I watched her stop what she was doing to assist a former student who was in Records and Registration for someone else. She diligently made sure that the former student's need was met. One day at chicken day, Dr. Green was purchasing two meals, one for herself and the other for her father who she stated that she wanted to make sure that he received a good meal. Dr. Green was caring, lovable person and I will truly miss her kindness and her smile. This candle is for her brightness and love.*
