“ I offer my sincere and heartfelt condolences to the family at this difficult time. It is so hard to lose a loved one; especially when they pass away at such a young age. I too know how that feels, because I lost my only son when he was very young. What comforts me is the sure hope of the resurrection. While Jesus was on the earth he brought many people back to life; including a little 12-year old girl. Imagine how her parents felt at seeing her alive again. Mark 5:38-43. The bible lets us know that one day all those who are in the memorial tombs will hear Jesus's voice and come out. May you be comforted by this wonderful hope.###imported-begin###R Johnson###imported-end##
