“ Please accept my condolences for the loss of your dear love one. The bible gives much hope for all who have fallen asleep in death, please read Acts 24:15, it tells of the resurrection hope that God promises.

“ To my dear sisters from another mother, you will never know how much your mom meant to me. She took me under her wings as her daughter when I first moved here to Virginia with EJ and I had left all of my family back in New York. Her warmth, her smile and her words of wisdom will live in my heart forever. She was very special to me, Earl and Andre and she will be surely missed. I pray that God will give you the strength to go through this very rough time. Love you.
