

Tandreka I. Childs

June 23, 1981 - July 17, 2008

Tandreka Iesha Childs, daughter of George Childs and Valerie Lyles, was born on June 23, 1980. She departed on July 17, 2008 after a lengthy illness. She received her education in the Baltimore City Public School System following which she became employed with Johns Hopkins for over ten years. Tandreka loved going out with her girlfriends and cooking, but she always made time for her family and friends. Although she had been ill for years, she refused to take any handouts and maintained a full time job. Living a completely unselfish life still wasn't enough for her. At the time of her departure it was noted on her license that she would continue giving even after her death. Yes, she was an organ donor. She may not have had any children but she knew she could still give someone the gift of life. What a woman! She leaves behind: parents, Valerie Burton, George Childs III and stepfather, Lamont Burton; sister, Destiny Burton (her brother Dennis Lavar Lyles preceded her in death); grandparents, Marcelence Davis, Barbara Childs and George Childs (step grandmother, Virgie Samuels preceded her in death); aunts, Michelle, Barbara, Ramona, Crystal, Carolyn and Dianne; uncle James and a host of family and friends.

“ May you find much peace and cofort from out loving heavenly father who is always there for us to surround us with strength and love. Know that his purpose is to bring about a peaceful world where such things as sickness, sorrow, tragedy, violence, and death will be no more. Isaiah 65:17 says, "For here I am creating new heavens and a new earth, and the former things will not be called to mind; neither will they come up into the heart." Acts 24:15 promises that there will be a ressurection of the dead. May those thoughts from the bible help to carry you through, and may the hope of one day seeing Tandreka alive again bring much joy to your hearts.##imported-begin##R Johnson##imported-end##

“ It was a pleasure to have the opportunity to meet and work with Ms. Tandreka Childs. She will be sorely missed. This woman is the epitome of strength and courage at a time where that has increasingly become the exception and not the norm. She touched all who knew her and never complained. I pray that she finds comfort and rest in God's arms. Peace be with you.##imported-begin##Andre' B. Clark##imported-end##

“ I'm extending my deepest condolences on the loss of Tandreka Childs. Acts 24:15 loving declares: "There is going to be a resurrection." Some will come back in Heaven (First Corinthians chapter 15, verse 44), and many will come back to life on a beautiful paradise earth (John 5:28, 29; Psalm 37:29) May you receive much comfort and strength every time you think about the wonderful prospect of the resurrection. ##imported-begin## Mrs. Hill ##imported-end##
