“ *Cuz, sorry that you had to leave us so soon. GOD has a plan and He has an appointed time for us all. I have been reflecting on how we were raised and how we grew up. My big Cuz that watched us close back in the day making sure we were on point and as we got older, gave us space but never lost that Love you shared back then. I truly loved your spirit, the quite joy you displayed, and how you Loved and cherished your family. I will truly miss you and I wanted to share; that although I was not in your presents as much as I had liked to, your were always and you are still in my heart.*
