“ *Sheena you will truly be missed... You were one of the coolest mothers I have ever known... Tesha and I have been laughing at all the memories we have of you... You calling and harrassing us about some boots... How you always wanted me to take you shopping and do your make up... When we went to Walmart and you had me scarrrrreeedddd for my life... lol... I can go on and on... Trust me when I say, the house will not be the same anymore when I come visit... Im gonna miss all your stories, you cursing me out, and always trying to get me to take you somewhere... I know you are in a better place, but just know imma do everything I can to help Esha, Boop, David, and Shoobie get through this... I love you and make sure you keep my spot warm for me...~ Bonita*
