“ So sorry for your loss. The Bible makes it clear that death was not part of God's original purpose for the human family. But we are comforted by His promise in the Bible that he will "actually swallow up death forever."(Isaiah 25:8) We anxiously await the time when we will be reunited with our dead loved ones! “ To the family of Tashear R. Alston, I am very sorry to hear about your loss. Even though it was some time ago, I am pretty sure you are still continuing to heal. The Bible provides us with some comforting words at Psalms 62:8 - "Trust in him at all times, O people. Before him pour out your heart. God is a refuge for us." In the times that we live in today we experience a great deal of hardships and we cannot get through them on our own. I would like to present you with an article I found very beneficial with the cover title: "Comfort for Grieving Parents". This takes you to the Bible and shows you how you can personally make God your refuge. Feel free to email me your address so that I can personally deliver this to you. “ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die especially when children falls victim to death. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ I am so sorry to hear about the loss of your child. I know your grief still must be very heavy. This is not the way Jehovah God intended life to be. he intended us to live forever right here on earth. The bible says that he has not changed. Revelation 21:3,4 says that very soon right here on earth, Jehovah will remove all sickness, death, and pain. He will even bring our loved ones back in the flesh. Please read Acts 24:15. There it talks about the resurrection hope. Also read Psalms 37:10,11. There it talks about how the righteous will possess the earth and live forever upon it. death is not the end. To found out more about what the Bible teaches please feel free to contact your local Kingdom Hall of Jehovah's Witnesses. again I am deeply sorry for your loss.##imported-begin##Leah##imported-end##

“ To the family and friends: Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. God’s original purpose was not for us to ever die. The thought of death is heartwrenching to us and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to death. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Just imagine our loved one coming back to life in the most beautiful earthly paradise you could ever imagine! Wouldn’t it be wonderful to greet them, tears of joy running down your faces and knowing that you will never lose them in death again. Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at (Rev. 21: 3-5) of a new earth where there will be no more death. These promises have brought comfort to millions. I wish the same for you.##imported-begin##sorry2 hear##imported-end##
