“ *What a heavy feeling on my heart when I heard the news of you passing. It was so unexpected as a just spoke with you hours before to let you know I was leaving. Being a part of that night time crew (those people who stayed til you kicked us out) was like a family within a family. I will miss your "Hey Sugars!" and the jokes we had over the radio. You reminding me to put your Saturday hours on payroll (cuz I needs my money Sugars) You really touched a lot of people with your smile, kind heart and personality. You will be truly missed by the entire Dunbar High School family. My condolences to your four favorite ladies; your daughters and your grand daughter and to your entire family.*

“ *I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 4yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!*

“ I met Mrs Allen several years ago when she came to work at Dunbar High! She was wa wonderful person with a wonderful Christlike spirit! We developed a special friendliness Because I would stay late at night to get my work ready for the next day and she supervised the contract cleaners. As she moved down the hallway with them, she would come back to check on me! When she moved to a different floor, she would call me on my Walkie talkie to check on me and let me know how close it was to the time to leave. She was such a wonderful worker, always saying yes ma'am and no ma'am to me out of respect. She always called everyone "sugar". When she found out I was retiring in 2011, she came to my room to let me know she would miss seeing me everyday, especially in the evening and to wish me a great retirement! I was so sad when I found out she had passed! What a wonderful person! I am praying for your family. I know she is safe in the arms of Jesus!

“ *My thoughts and prayers are with the family of Tashella. Tarshella was a beautiful woman with a kind heart and a joyful spirit. To her three daughters I'd like to say : Let the memories of your Mom be happy ones. She has left an afterglow of smiles now that her earthly time is done. Listen for the echoes whispering softly down as she continues to instill her values and dreams for you in her own sweet way. May the tears that you grieve dry before the sun of the happy memories that you shared now that her earthly time is done.*

*My condolences are with you and I will continue to pray your strength.*

“ My sincerest condolences to the family of Tashella Allen. I am so sorry you lost your loved one in death. The Bible tells us at Isaiah 51:12 "I-I myself am the One that is comforting you people." This is to let you know that God will comfort you, even in your time of need. Also, God promises at Revelation 21:4, "He will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Mankind will live in peace, happiness, and perfect health (Psalms 37:9-11; Isaiah 33:24). May you draw much comfort in the Creator's wonderful promises, and know that soon we will welcome our loved ones back, wrapping our arms around them once again. Hope that knowing this will take away some of your deep sorrow.

*Hey Sugar! Is the famous greeting Ms. Allen gave me every time she seen me. Ms. Allen was a beautiful person. If she could help anyone she would. Thank you for coming into my life as a caring and sweet person to me and everyone around you. I'm sorry you had to go and I didn't get a chance to say goodbye. God has called you home to glory so now all the pain, stress/worry is no more. Now its time to rest in paradise. I will truly miss you.*
