“ *I am so sorry to read that you lost your little baby. What a sad thing to go through. Believe me, God didnt desire this pain for your family, and one day he will erase such tragedies off of the earth, and will restore life back to millions who have died prematurely. Jesus ressurected many people while he was here on this earth; including a 12-year old little girl. The bible says that her parents were beside themselves with great joy at seeng their little girl alive again. Mark 5:38-43. Jesus showed on a small scale what he will soon do for mankind in the near future. Remember that he died for us so that we could be done with sickness and death forever. May you put all of your trust and confidence in our loving heavenly father, Jehovah, and his son Jesus Christ to help you to cope until te glorious day of salvation arrives.##imported-begin##Rita Johnson##imported-end##*
