“ Terrance I can't believe your gone. You know how I loved you and how we use to laugh. You tried hard to be the big brother, but you were in fact the baby....each time we got together you greeted me with a hug and kiss, and you would say, "Hey, baby girl." When it was time to go I got another hug, and you would tell me you loved me. I'm going to miss those hugs and kisses, but i'll never forget them.

Love you much! Baby girl Raquel (AL)

“ The wonderful memories you have of your son will help sustain you during this very difficult time. While it is never easy for the living when a loved one transitions to life eternal with our Lord and Savior, the Bible gives us comforting hope in I Corinthians 15:49-58. God will comfort your heart.

“ *I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom 3yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be "a resurrection of both the righteous and the unrighteous."—ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!*

“*What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget*”

Love your nephew Terry Ray..

“ BELOVED BROTHER

*You're still here in my heart and mind,
I hold you in a thought because you were always so kind.
I feel you and this gives me strength and courage.
The tears I have cried for you could flood the earth
and I know you have wiped each one away.
It is sad that you left without saying goodbye,
But just remember we all love you as you began to fly.
For you Brother, I promise you this;
I will go on with my life and make you proud. I will always hold you
in my heart.
I promise you I will be missing you every day till the end of time,
I need to love and miss you, but I also need to live because through
me you will live,
You will forever be in our lives, you will forever be a brother, a son,
an uncle and friend.
May your spirit soar in freedom
From the fears that gripped so tight.
May you find the peace you searched for
And your tender heart be warm.
May you have no need for strength now.
May the music of the angels
Be the sweet sounds that you hear.
As you're rocked in Heaven's cradle
May you shed another tear.
I'll wear your memory proudly,
My only Brother...my true friend.
May my love for you reach Heaven above
Until we meet again.*
