“ Dear family of Terri, please accept my sincere condolences. I know how painful losing a loved one can be, because I too, have lost many loved ones in death. Sadly, it is a harsh reality of life at present. Thankfully, the bible indicates that a great change is about to take place on this earth. We're so used to pain and sorrow, and seeing tragedy after tragedy occur, but there is a rainbow over the horizon. John 5,28,29 tells us, "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." So Jehovah's purpose is for the dead to hear the voice of his son, Jesus Christ, and wake up from the sleep of death. Then he tells us at 2nd Peter 3,13, "But there are new heavens and a new earth in which we are awaiting, and in these righteousness is to dwell; which harmonizes with Psalm 37,29 which says, "The righteous themselves will possess the earth, and they will reside forever upon it. In this new righteous earth God is creating, there will be no more pain, sorrow, sickness, or death. People will be able to live life to the fullest, without death hanging over their head like a dark cloud. Dear ones, if you would like to know more concerning these blessings, please contact me. May your cherished memories bring comfort to you at this time.##imported-begin##R Johnson##imported-end##
