“ *To the family and friends: Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. God’s original purpose was not for us to ever die. The thought of death is heartwrenching to us and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to death. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Just imagine our loved one coming back to life in the most beautiful earthly paradise you could ever imagine! Wouldn’t it be wonderful to greet them, tears of joy running down your faces and knowing that you will never lose them in death again. Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at (Rev. 21: 3-5) of a new earth where there will be no more death. These promises have brought comfort to millions. I wish the same for you.##imported-begin##Senita Swann##imported-end##*

“ To the family members and friends left behind, you have my deepest and heartfelt sympathy. None should have to die like this. It was such a sad tragedy, and never a part of God\\\'s purpose for mankind. He desires all to live forever in peaceful, secure conditions; and one day his purpose will have it\\\'s fulfillment. Then there will be no more tears or pain, no more violence, no more sickness, tragedy or death. For those who have died, this is the hope for them found at John 5,28,29 which says, the hour is coming in which all those in the memorial tombs will hear his voice and come out, Yes one day your family members will hear the voice of Jesus and awaken from the sleep of death. At that time the earth will be a paradise where everyone will have an abundance of good things, plenty of food and a beautiful home to live in. 2nd Peter 3,13 tells us, But there are new heavens and a new earth which we are awaiting, and in these righteousness is to dwell. So take care, dear family, until Jehovah\\\'s wonderful words are fulfilled. Please be comforted.##imported-begin##R Johnson##imported-end##

“ Please accept my deepest condolences for the loss of each family member. As we read the Bible we are confident that it was written so that we could have "instruction, endurance, comfort and hope." (Romans 15:4) Therefore, may you be comforted by Almighty God words at Isaiah 25:8, "He will swallow up death forever...for Jehovah himself has spoken it." Yes, Almighty God will eradicate death forever and will make it possible for our dead love ones to be resurrected under peaceful conditions. (Acts 24:15) Yes, it will truly be a embracing event.##imported-begin##V. Adams##imported-end##

“ Please accept my sincere sympathy. The sorrow we feel when we loose someone we love can seem to go on forever. When we have to face more than one lost at a time it can be unbearable. It may seem like there is no source of relief. Be assured that there is one that will provide us with relief, "the Father of tender mercies and the God of all comfort". We only have to ask. He promises us that there will soon be an end to death, (Rev 21:3,4) and a resurrection for those those who have fallen asleep in death (John 5:28,29). These promises were made by the "God who cannot lie." Titus 1:2. I would love to discuss these and other wonderful provisions with you. Please contact me if you are interested.##imported-begin##Gwen Winston##imported-end##

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##
