“ To the family, GODS love is wider than our worries, longer than our loneliness, stronger than our sorrows, deeper than our doubts, and higher than our hostilities. This is why valleys are so wide, rivers so long, winds so strong, oceans so deep, and the sky is so high, with these, we can have a picture of the wonder of GODS love. As a mother comfort her child, so will He comfort you... ISAIAH 66:13 I would like to send my warmest regrets and sympathy to your family in their time of need.##imported-begin##KIM HARRIS-CASHER##imported-end##
