I look at your picture at ma house that sits by the door when you first walk and just say there goes GRANDMA! everything is going good with us. All i can do today is keep calling ma because it is rough on her. She misses and talks about you alot. Her and Kajori(Lil Gloria) sits in the kitchen at least once a week and watch the memorial tape with the pictures on it and they cry together. It has been tough!Yesterday in church I thought of you the whole time.##imported-begin##Torey##imported-end##

“ Hi mom,will iam going to Va.To do what you ask.Its going to be me and the kids.I miss you so much.Its like my joy is gone.I have nothing to look to.I told you before you left. That this house wasnt a home.I need to get away.Iam not happy here.I wish you was here.We can go to the store and stuff.I miss that.But I known you are okay.God looked around his garden,And saw and empty space. Then he looked down here on earth,And saw your loving face.He put his arm arond you and took you away.Because he knew your time was today.A million times well miss you,A million times we will cry.If love could have saved you,Younever would have died.It broke our hearts to lose you,But you did not go alone,For part of us went with you,The day God took you home.##imported-begin##you pooh##imported-end##

“ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##
