“ To the family and friends of Geraldine Daniels I send my deepest condolences to you. In the Bible book of Ecclesiastes 9:4 it states: "For the living are conscious that they will die; but as for the dead, they are conscious of nothing at all" which brings out the point that the deceased do not feel pain, sadness, troubles or anything at all as if living--death can be liken to a sleep state of mind. However all deceased persons have the opportunity to live again through the means of Jesus Christ death which gave all mankind a hope. In the Bible book Of Revelation 21:4 it gives the promise of: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." The scripture demonstrates that in a soon time period death will never again occur, no pain of death. I hope that these scriptures have brought you comfort and hope to see your loved one again.
