“ Please accept my heartfelt condolences for your loss. She looked like a very nice, happy person. I am so sorry she passed away, I know your hearts are hurting. May it comfort you to know that one day Theresa will live again, and you have the opportunity to be reunited with her again. Acts 24:15 lets us know that there will be a resurrection, and when Jesus was here on the earth he resurrected many; including Lazarus and a 12-yr old girl. May the hope of seeing Theresa again bring happiness to your heart, and help you to cope with your loss.##imported-begin##R Johnson##imported-end##

“ Dear family and friends of Theresa, I am so sorry to hear about the death of your loved one. Death is always such a hard thing to get through because we were not made to experience such things. God Jehovah never wanted humans to die. The bible does tell of a time when death, sickness, and pain will be no more.##imported-begin##A. Jones##imported-end##
