

Theresa E. Phair

October 4, 1948 - March 23, 2012

THERESA E. PHAIR, daughter of the late Elmer Chapelle and Cora Smith and sister of the former Charles Smith, was born on October 4, 1948 in Baltimore, Maryland. She departed this life on March 23, 2012 after a lengthy battle with illness.

She received her education at Edmonson High School in Baltimore, where she excelled in math. While in high school she volunteered as a candy striper. Theresa was employed with the Social Security Administration until her illness forced her to retire. During her lifetime, she remained an active member of the Multiple Sclerosis Society and a member of the Pleasant Grove Baptist Church.

She married Paul Phair, and out of this union two children were born, Damon and Cheryl. Paul remained a dedicated and loyal friend to Theresa throughout her lifetime.

Theresa loved music, dancing, spending time with her family, and even throughout her long illness, was never known to complain and was always smiling. She also had a passion for gardening and could make anything bloom.

She leaves to mourn: her children Damon Phair and Cheryl Smith; her

grandchildren, Eloni, Aria, Eshika and A'Leila, and a host of other family and friends who will miss her greatly.

“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom 3yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be "a resurrection of both the righteous and the unrighteous."—ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!

RB

It is hard for us to find words that might bring the family comfort at the time of loss.

Sorry it is late but perhaps just knowing that we are thinking of the family with sympathy and understanding will somehow help to give the family strength at this difficult time.

Sincerely;

Dana Sheppard, President of The All Together Support Group(MS).
