Forever in my Heart

For all you were to me in life and all the joy you brought,
Your memory is with me in every single thought.
The pain I felt at losing you will never go away,
But knowing that you're in my heart helps me through each day.
When you were here I always felt that nothing could go wrong,
But you're still my inspiration and your memory keeps me strong.
And though my heart is heavy, it's full of love and that's enough to
comfort me while you're in Heaven up above.
