“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ To the family and friends: Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. God’s original purpose was not for us to ever die. The thought of death is heartwrenching to us and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to death. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Just imagine our loved one coming back to life in the most beautiful earthly paradise you could ever imagine! Wouldn’t it be wonderful to greet them, tears of joy running down your faces and knowing that you will never lose them in death again. Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at (Rev. 21: 3-5) of a new earth where there will be no more death. These promises have brought comfort to millions. I wish the same for you.##imported-begin##Senita Swann##imported-end##

“ To the family and friends, I offer my condolences. It truly is unfortunate that we must experience the sorrow associated with the loss of one we love. May you find comfort and strength from the "God of all comfort" (2 Corinthians 1:3,4) who promises at Isaiah 66:13, "Like a man whom his own mother keeps comforting, so I myself shall keep comforting you people."##imported-begin##Gwen Winston##imported-end##

“ I would like to express my deepest sympathy to the family and friends of Mr. Stockett. The loss of a dear loved one who has given so much to others is very painful; that is why the Bible calls death our enemy-1 Corinthians 15:26. Please be encouraged to know that Jesus has conquered that enemy and he holds out the hope of the resurrection to all who mourn-John 5:28,29. It is my sincere hope this will comfort your hearts.##imported-begin##Valerie Johnson##imported-end##

“ As an art teacher, it is quite an honor to have such a distinguished and uniquely talented artist in one's midst, as well as a wonderful, friendly neighbor. I will miss Mr. Stockett ... his smile, his warm greetings and his decorated Christmas doors. I give thanks to have a print of one of his paintings to cherish. May our Lord grant him his eternal reward. Just think of the pictures he's painting of heaven!##imported-begin##Debbie, Sutton Place Neighbor##imported-end##
