“ *Dear Ms. Joyce,*

I was stunned to hear of the death of your dear Tommy and your Mom. I know you were looking forward to being retired and spending time with them both. You were always so cheerful and pleasant to talk with. I know this time must be difficult for you. No doubt the many years spent with both of them wrote rich memories and painted beautiful pictures that death could never erase. I am sorry for your loss and wish you well.

My love and thoughts are with your family during this very difficult time.

“ To Joyce and Family, I am so sorry to learn of the passing of your wonderful husband and father. I only had the pleasure of meeting Tommy two times, at a co-worker's retirement celebration many years ago and at the funeral of my son just two years ago. Even after only a few minutes of conversation, I felt like I had known Tommy my whole life. Joyce, it was easy to see through your stories about Tommy and your family the deep abiding love that you all have for one another. I always regarded you as such a model family. Tommy's dedication to local youth through education and mentoring has created a legacy that is far-reaching and eternal. I know you are so very proud of that. I find great joy in the realization that Tommy will be with the Lord this Easter. I pray that you may find comfort and peace in this thought as well. I will continue to pray for you and your family and ask God's blessings as you have so often done for me.
