“ Please accept my sincere sympathy for your loss. Even during this difficult time, you can find comfort in the Christian hope of the resurrection. At John 5:28,29a Jesus promises:"Do not marvel at this, but the hour is coming in which all those in the memorial tombs will hear his voice and come out..." Yes we have the real hope of seeing our dead loves again. Jehovah truly blessed mankind when he allowed his Dear Son, Christ Jesus, to provide his Life as a ransom sacrifice for faithful mankind. That sacrifice will be the source of many blessings in the very near future.##imported-begin##A. Robinson##imported-end##

“ Please accept my sincere condolences. The pain associated with the death of a loved one can be so hard to come to terms with. And it's especially painful when our loved ones die in the prime of life as YOur Thomas did. Many people wonder, is this all there is to life; to live a few years and then die. The bible lets us know that this was not Almighty God's purpose for mankind. His desire is for people to live forever in peace and happiness. I lost my son as well some years ago, but I'm comforted to know that one day he will live again by means of the ressurection promised in the bible at John 5:28,29. That scripture says, "Donot marvel at this, because the hour is coming in which all those in the memorial tombs will hear (Jesus's voice) and come out to a ressurection of life." Until that wonderful day arrives, please find comfort in your precious memories.##imported-begin##R Johnson##imported-end##

“ May I send my condolences to you all. It has been a year since Thomas circle of life was broken. All of us have lost some one in dead and know the feeling. The days we are living in help us to see how our REFUGE is in our heavenly father, Ps.46:1-2. Imagine the happiness to be our when the dead are raised to life in the near future, something to look forward to with great joy. May the 40 years of cherished memories of Thomas support you all in the time ahead.##imported-begin##Lillian Crosby##imported-end##
