“ Thomas I remember one of your last phone calls to me, You was wishing me a Happy Mother's Day. You asked what I was doing I told you I was making some fried salmon w/eggs.. you said they supposed to be cooking me breakfast then you said you was coming over for some. lol.. We always laughed, you said you was bringing me my favorite flower (roses, peach & pink) I told you then how much I loved you and I was glad you are my brother despite all the issues that occurred over the years. Your heart always stayed true. I miss you so much Thomas more than you'll ever know. I know your resting or partying in heaven and grannie & granddaddy watching over us w/you. It's times where sometimes I feel your presence near. We all called you King because that's what you were to so many. I was mad that God took you from us but I love God and I understand his word. I know you have your wings and they are soaring high above of the clouds. I love you Thomas, your big sister Teresa.

“ I send my deepest sympathy to the family of Thomas for your loss. It's so painful to lose a loved one; especially someone so young with their whole life ahead of them. Many wonder why these tragic things happen, but even though we don't always have the answers we can rest assured that Jehovah has something much better in store for us. My son also died in his twenties, but I know that I will be with him again, because this is God's promise. He hates death, and he hates to see families suffer through the pain of losing their loved one. This is why he sent his most beloved Son, Jesus, so that everyone exercising faith in him might not be destroyed, but have everlasting life. John 3:16. Jesus himself said: "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life. John 11:25. Believe me, God will comfort you and heal you in due time. So think about the good times and the memories you shared with Thomas over the years and may those precious memories bring a smile to your hearts as you await the day when you can be reunited with him again.
