“ *To my sister. I have loved you from the day I met you. You are the one person I thought would always be here. For 12 years you have been there for me and Mya in ways I never even expected. I am filled with so much pain knowing that we haven't talked in 2 years and I don't even remember why we were beefing and now you are gone. I never got the chance to tell you I love you. You were always a ray of sunshine. I will always make sure your niece Mya NEVER forget you. I love you Tiff*
