### Poem

A face that is always on my mind,  
A smile I have seen a million times,  
Two eyes that would light up the sky at night,  
One last battle you could not fight.  
The day was long, then night, then morn.  
I knew that soon you would be gone,  
I clasped your hand so warm in mine,  
Soon we would be out of time.  
To stay with us you fought so hard,  
A million pieces went my heart But great memories I will  
always keep with me,  
Your love in my heart for eternity,  
I never got to say goodbye,

To understand why, I can but try,  
Waiting in heaven from this moment on,  
'Till we all are home.
