“ The lost of a dear loved one is always hard to bear however in knowing God’s purpose concerning death truly brings a healing comfort. Knowing in our near future God said we would no longer have to be troubled over death neither threaten by death. Why because Is 25:8-9 said Jehovah will swallow up death. Rev 21:4-5 said death will be no more. Jehovah has promised by means of Jesus that our loved ones will be redeemed from death according to Hoesa13: 14. Yes how wonderful when soon under Gods new arrangement the dead will live again stated at Is. 26:19. Jehovah is such a loving God who cares so much about us and what happens to us according to 1Peter 5:7 that he makes it clear according to his written word what he plans to do in our behalf. I’m sending my condolences and prayers in that you may draw comfort and peace in knowing that your love ones lost to death is a temporary state and that death was never a part of God’s plan for mankind. Soon Jehovah and Jesus are going to undo all the damage Satan has done causing much burdens and inflicting all the things that cause much pain suffering and grief##imported-begin##Carter##imported-end##
