TINA LOUISE GREEN, "Trina," as friends knew her, daughter of Louise Belle Green and the late William A. Trina found an interest in doing hair and became a licensed cosmetologist. She worked as a stylist in several salons for many years. “ To the family of Tina Green, Please accept my condolences for the loss of Ms. Green. My husband and I have experienced various tragedies through the years and we have always received much comfort from the Bible. One such comforting verse is Acts 24:15- "There is going to be a resurrection." Jesus Christ performed resurrections 2,000 years ago to show what he will do again in God's due time.(Isaiah 65:17, 2 Peter 3:13) May you also receive much comfort and strength as you think about this wonderful hope from Jehovah God and his son Jesus Christ.(John 3:16)##imported-begin##Sharon Hill##imported-end##

“ To the family of Mrs. Green, I offer my sincere condolences. I am so sorry for the pain you are all feeling, because I know how truly devastating it is to lose a loved one in death. It's something no family should have to experience, and was never God's purpose for this to happen. Being descendents of Adam, we all inherited this legacy of sin and death. How wonderful to know that Jehovah sent his precious Son Jesus to undo what Adam and Eve brought upon us. The scripture found at 1st Cor 15:22 is so very comforting which says: "For just as in Adam all are dying, so also in the Christ all will be made alive." That's truly a wonderful promises to look forward to, which is a ressurection back to life for those who have died. Jesus himself spoke about this when he said, "I am the ressurection and the life. "He that exercises faith in me, even though he dies will come to life." May you find comfort in the love of Jehovah God and his Son, and may your precious memories help you to cope.##imported-begin##R Johnson##imported-end##
