“ So very sorry to hear of Tina's passing. We were high school friends and last year she came heavily on my mind and spirit. I began a search on Facebook to find someone who might be connected to her. I found her cousin Curtis and he gave me a number to reach her, but the number didn't work. I imagine that she may not have been well at that time. Unfortunately we did not reconnect. My deepest condolences to the family and friends. The Bible declares, "to be absent from the body is to be present with the Lord"; now she is in His presence.
