“ Hey mommy,

*It's been years and I really miss you. I know to keep you in my heart prayers and thoughts that is why I am surviving now but it's been really hard. Everything you have taught me never went to waste that's why I am the person I am now. I struggle with grace, I love with all my heart and I keep you and God in all my prayers. You have taught me so much about love compassion kindness and life and that's something I have and will pass down to my children so they can pass it down to theirs. Even though this is a crazy world, I know that there is good in a lot people and as long as I follow the directions you gave me to life, I will live and love everyone the way you did. Thank you for everything. I love you so much, your daughter!*

“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 3yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your loved one again in the coming Paradise here on earth! Again so sorry for your loss!!
