“ My wife, Vanesta and son Sy first met Todd, his wife and son as a first class basketball coach. The love, discipline and dedication that he showed will forever be etched in our collective minds and hearts. Much later in life I encountered Todd as he escorted his late mother to church-GSBC. This man of God and true family man will never be forgotten by Gaines' family - Tyrone, Vanesta and Sy. May The Lord continue to bless his family 🙏

“ *Todd was my nephew in-law and loved by the entire Moore, McGeorge, and Jackson families. I was at the wedding of Toni and Todd almost 35 years ago. Toni is my goddaughter. They were the image of a perfect couple. The bride was beautiful and the groom handsome, At the wedding, I had the privilege of giving the bride my wedding garter in the tradition of “something borrowed and something blue.” I will always remember Todd as a loving husband and father, He will be sorely missed in our family and as someone who left us too soon. I and my son, Eric’s, prayers are with Toni and their children, Tia and Anthony, for God’s blessings and peace. Signed by their loving aunt, Dr. Ruth M. Jackson.*

“*My condolences to Mrs. Stamper, his children, grandchild, family, close friends & coworkers. My funny moment of Todd is when I would put a call in and a picture suppose to pop up. When it didn't I knew it was Todd who suppose to take the call. Todd was slow coming out and when he got to the machine he would look at me like 'what?' And I would give him this mean face and say 'it's about time, where were you? At the cafeteria? We both would laugh and he would proceed to fix my machine and move on to the next call. He will truly be missed. He was a good guy ❤️🙏*

“ *I will truly miss you my old neighbor from Zion Ridge. I remember walking my son through the neighborhood and you and your wife would come out to greet us. You would tell me if someone strange was lurking around the house, check on me when I was out for surgery, always send a nice text to let me know that everything was okay. You still did all of this afterwards even when you moved away. You were a true friend that always greeted me with a wave, a hello and a smile. RIH*

To the family of Todd Stamper, please know that my thoughts and prayers are with you in this difficult time. I have known Todd for the last 20+ years at work. He was always willing to help anyone and always had a smile on his face. Todd and I served on some interview teams over the years and he was fantastic at those, he made it fun for the whole team. Keep your memories of him at the front of your thoughts and cherish them always. Todd was a good person and a good coworker. He will be missed by so many people, a testament to the kind of person he was.

My sincere condolences to Toni and the immediate family as well as the extended Stamper family. I've known Todd since he was a child since his oldest sister, Shay and I have been best friends since eighth grade. It was great watching him grow up and create his own family. I'm so sad for your loss. Keeping you all in my thoughts and prayers.

My condolences to Todd's family. It was a shock to hear of his passing. It is much too early. I worked with Todd many years and valued his friendship. Todd's work ethic was exceptional, his commitment to his family, job, ERT, and his co-workers was inspirational! I ran into him months ago at PT in Chester. Todd saw me first and came right over and started reminiscing of times we had at work and giving me "updates" as I retired a few years ago. Todd will be missed by many people, he was definitely a special person.
