“ May I send my condolences to you all, the family and friends. Lossing Todd a year ago broke the circle of life for all. It hurt the mind and heart when death hit . Our heavenly father cares as 1 Peter 5:7 say and is there to give comfgort at the right time. Imagine the happiness to be our when the dead are resurrected,John 5 :28 , Job 14:14, back to life in the near future on a paradise earth. I am looking forward to that happening and I know you all are too, John 11:22-44. I hope these few thoughts will be uplifting to read and share.##imported-begin##Lillian Crosby##imported-end##

“ I am very sorry to learn of the death of Todd. I am sure that this was a very difficult time for your family. I am forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. That was true when Moses wrote it, but that was not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says, It is reserved for men to die once for all time. This, too, was true when it was written. But it was not the case before God passed judgment on sinful adam.##imported-begin##JT Nunnally##imported-end##
