“ *Our family would like to express condolences to The Holmes Family. May you find comfort from Jehovah God's Word The Bible where He assures our loved ones of a resurrection on a restored paradise earth. “ My condolences to the family and friends.... Please know that while your loved one is not with you right now they are not forgotten by Jehovah God. May the bible bring you comfort in your time of grief. There will soon be a resurrection of both the righteous and the unrighteous. (Acts 24:15) This is a promise that we all are eagerly awaiting fulfillment of as we have all lost someone to the enemy death. Soon the bible tells us that enemy will be brought to nothing. (1 Corinthians 15:26) To find more comfort from the scriptures, please visit [jw.org](http://jw.org) or speak personally to one of Jehovah's Witnesses in your neighborhood.

“ To the Holmes Family, you have my sympathy in the passing of your dear loved one. Death brings so much grief, pain and sadness, no wonder it is described as a sting. During this difficult time, may you call on the God of Comfort, who promises to be there for us. May you also find comfort from your family, close friends and the memories you shared.
