“ *My Aunt Toni my best friend and my second mom!!! There is not a day that goes by I do not think of you, I wish you were still here to laugh and joke with me, and see my boys grow bigger. It is just so funny that Jaiden and Tristyn act just like you at times!!! I know you are in a better place and watching over us! Even though I know you are no longer suffering, I guess it is just me being selfish wanting you to still be here with me!!!! I Love You Aunt Toni!!!!!!*
