“ Tony Jones was a true friend to myself and others who I had introduced him to. This was a great shock and lose to me. I could always pick up the phone and say Tony I am having a meeting and I need you to be at a meeting and Tony can you check into this or that. Everyone know my number when I called and was well familiar with me when I went into the office. I will always thank you for encouraging me to move the PMA and RBDL to another level. Tony you wore many hats and we all appreciated that.

*Tony Jones you won your wings and a solider in God's army. You stood through opposition and worked well beyond your call of duty to be sure that your customers received there just due.*

*May your spirit of joy and your warm smile you gave to everyone enlightened someone heart.*

*The Pimlico Merchants Association (PMA) and the RBDL Presidents will miss you at the dinner.*

*My deepest condolence to your family.*

*May your soul rest in peace.*

“ Tony was a great help to the Market Center Merchants Association. He was always patient with us as we worked through some complicated and tedious inventory or spreadsheet. He became a proponent of our work, though he did not have to, and a friend. He definitely went above and beyond when it came to his job, and I am grateful. My deepest condolences to his loved ones. “ Tony, in the short time of knowing him, was a gentle soul with a big heart. Anytime I had a question, concern, issue or just to talk/vent, he was always available with a listening ear and always just to give a word of wisdom and comfort. His laughter was so contagious and he had a passion for his work that he was so good at. We became friends as well as coworkers and he was like a big brother, especially when it came to work. I miss him so much and cannot believe he is gone but I know I will see him again. God bless the family, my God continue to give you comfort, peace and strength.

“ Tony was more than a friend, more than a co-worker, more than anyone could imagine. He my work husband and like family just to name a few. Words cannot express how all feel. I pray that wisdom, understanding and comfort is stored upon his mother, his sons, grandson and the rest of the family. Tony was an awesome, sweet heart, outstanding, upstanding, faithful man. He was a leader not a follower. He was not only a mentor to young people but an extended father to so many. Praying God's grace and mercy on his family in this time. Pray an awesome blessing that they would only know and understand. Pray that his grandson will not forget him. Tony, we all love and miss you so much. Praying comfort for all those that have cried. God says weeping endures only for a night, but it is HIS joy that will cause smiles and joy back to you. I love each and one of you and for his mom and family, you are in ALL our prayers. He is loved. Let the joy of the lord be your strength. Tony you are more.

“ Tony was such a sweet soul, I will truly miss his silly little smile and his quirky sense of humor. It was a pleasure to have known him, and work with him. He was so helpful and always willing to go the extra mile. I don't think there was a person here at work, or a customer who did not enjoy his presence. I am sending prayers to all of his family, and wish you much strength during this time. xoxoxo

“ Tony,  
You left us all so suddenly, but we know you are with us in spirit. I shall carry your legacy of hard work and especially that big heart you shared with all of us in my heart forever. The yellow candle I have chosen is for the sunlight you brought to me and others each and every morning you arrived. I pray that these words will put sunshine in your families heart as you did mine.
