“ *Hello to the family and friends of Tory Burnett.I would like to offer condolence to his family and friends.Although it has been some time since the Tory fell asleep in death there is still sad feelings from the lost.There is however something that can help with those feelings,it is the comforting thoughts from the bible.One such thought is that there is going to be a resurrection of both the righteous and unrighteous.So at that time our dead loves ones will return to life right here on earth under peaceful conditions.This is something that the bible promises at psalms 37:10,11.The Bible also assures us that our dear loved ones are conscious of nothing at all,showing us that they are not being tormented neither do they have any problems.(Ecc 9:5)Our heavenly father Jehovah is so loving.There are so many wonderful promises that are going to be a reality in the very near future.These were some thoughts that give me comfort that I wanted to share with you.##imported-begin##O.Crosby##imported-end##*

“ My deepest sympathy during your time of sorrow but knows that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 What a wonderful prospect for our future.##imported-begin##Carter##imported-end##

“ Please accept my condolences for the loss of your loved one. The Bible rightly describes death as "the last enemy". It lovingly promises us that death will be destroyed, "to be brought to nothing."- (1 Corinthians 15:26) What hope is there for our dead loved ones? Acts 24:15 informs us- "there is going to be a resurrection." I hope these divinely inspired promises give you comfort and strength in the days ahead.##imported-begin##Sharon Hill##imported-end##
