“ *I am extremely sorry for your loss. I can not imagine the pain you have had to endure. May the God of comfort be with you now and in times to come. God's Word the bible promises the hope of seeing our dead loved ones again. That promise is at John 28,29 and also at Revelations 21: 3,4*

“ *My sympathy goes out to Sandy Curry, Travers' Mother, who has been a friend for years in exercise classes together. He was too young to pass, and please know how much I feel some of your pain...so much for you to bare. My prayers are with you....Cindi Nash*

“ To The Curry Family,  
My condolences goes out to the entire family. At times like this you really don't know what to say. I remember when we were all little kids playing in the street on Bedrock Lane, and then life happened. We didn't have a care in this world. May GOD bless all of you, and remember he's not gone we just have one more angle to watch over us.

Sincerely,

“ I did not know you, but I worked with your mom. She spoke of you all the time. I know her heart is broken, not only were you her son, but you were her only child. RIP Travers, you will be greatly missed. I know the pain she is feeling, because I loss my only son less than 2yrs ago. The only difference is that I do have three daughters. A son is special to a mother, its different. You look so much like her. Sandy, God will get you through it, but you will never get over it.
